-Web app using React, Node/Express for visualizing News data such as top news & tech

### Covid.js

-Web app using React and various APIs featuring all the latest data on COVID-19

## EXPERIENCE

### Lead Front End Developer @ Carroll Bradford

**2019-Present | Orlando, FL**

- Engineered and maintained major features of CB's project management web app using JavaScript, Bootstrap, Vue.js, PHP/Laravel, jQuery, & CSS/Sass.
- Architected and implemented the front-end of CB's email-signature tool.
- Redesigned app layout using Vue.js & Laravel to enhance organization and structure.
- Interfaced with designers and managers to ensure thoughtful and coherent user experiences across CB's products.
- Refactored entire application's REST API HTTP client while maintaining feature parity.
- Making meaningful contributions to the long-term maintainability and health of the product.
- Refactored entire application's styling structure using Sass/SCSS & implementing BEM naming conventions.
- Automated the testing process using Selenium JS to improve stability, productivity, efficiency and performance.
- Work with design tools such as Adobe Photoshop, InDesign, and XD to create beautiful prototypes and brand guidelines.

### Front End Developer @ Independent Contractor

**2015 - 2019**

- Help develop sites with a focus on responsiveness, accessibility, & maintainable code that meets client-standards
- Tested sites in various browsers and devices to ensure cross-browser compatibility and mobile responsiveness.
- Hands-on experience leveraging JavaScript frameworks, such as React, to build SPAs and reusable components on multiple platforms.
- Interfaced with clients on a weekly basis, providing technological expertise and knowledge.
- Expertise in using Grid Controls, jQuery and DOM manipulations; worked with CSS preprocessor Sass to improve maintainability of CSS.
- Develop UI/UX prototypes & wireframes using Adobe XD to display potential designs for projects

## EDUCATION

### University of South Carolina

Bachelors of Science - Business Administration | GPA: 3.6
